

Greetings Ladies and Gentlemen,

Next upcoming Shoot is on Sunday 28th Feb 2010, usual starting time of 10.55 on Wooster A for safety brief and then zero until the details start shooting after lunch.

This shoot is a 100m forward shoot with Action M and Trinity, with Army Match 2 (without all the running between firing points) of the Queens Medal Competition. Please see attached serial score sheet for details.

Theme of the match is East vs. West ie SKS, SKK, AK47, etc vs. AR15, M1Carbine, SLR,G3, etc. These will be the two pool prize classes, unless we decide something else! Slings are allowed in this match but no bipods.

Total rounds required 51 plus zeroing ammo. Opportunity to zero at 100m will be provided.

Total cost: \$15, which covers prize money and sausage sizzle with refreshing amber fluid after firing is completed (try to bring correct change)

PM me if interested, so I can sort numbers for the aftermatch beer and sausage sizzle, so we can kick the shooting year off.

Cheers

Frank
